PHILIPS

Wet & Dry epilator
Care Edition KeraBody, with ceramic textured discs, Cordless & rechargeable

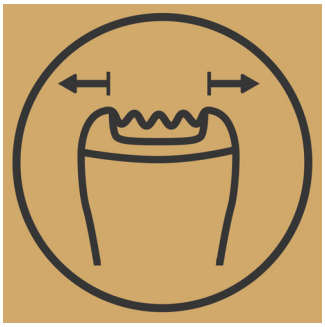
HP6585/01

Highlights

Ceramic textured discs

Unique to Philips epilators, ceramic textured discs gently catches even the finest hairs (0,5mm) without pulling the skin.

Wide epilation head



Wide epilation head for optimal hair removal in one stroke for long lasting and super smooth results in minutes.

Wet and dry Use

Wet & Dry for usage in shower & bathtub. The warm water opens the hair follicles and pores so hair can be removed more gently and the skin soothed. Fits perfectly with your shower routine!

Two speed settings

Philips Care Edition Epilator has 2 speed settings. For a more gentle epilation experience choose speed 1, while speed 2 gives you the maximum performance.

Opti-light

Makes even the finest hairs visible for thorough and effective hairs removal.

Cordless & rechargeable

Epilate anywhere with this cordless epilator. Up to 40 minutes wirefree epilation, quick 1-hour recharge.

Shaving head

Philips Care Edition Epilator comes with an extra shaving head for enjoying a close shave in your sensitive areas. Its rounded shape follows the contours of your bikini line and underarms for a close, easy shave.

Trimming comb

Use the trimming comb on the shaving head to cut longer hairs before epilating or to trim your bikini area.

Smart tweezers

Smart tweezers come in an elegant case, with integrated light and mirror, ideal for shaping your eyebrows.

Exfoliation glove

By making circular movements with the exfoliation glove, you gently massage your skin and remove dead skin cells simultaneously. This gives you beautiful smooth skin and prevents the formation of ingrown hairs.

Storage pouch

Storage pouch so you can store everything in one place.
